Enabling Communities to Communicate

Using technology to communicate is now routine and having a Web site is a necessity. With Grange Hosting's time saving tool, Grange Communicator, hosting a Website has become easy and affordable for community Granges to go on-line!

How Do Granges Sign Up?

Community Granges sign up through GrangeHosting.com and use a state specific promotional code, State Abbreviation 2003 (example - OR2003). Each Grange will receive at no cost, Grange Communicator, a website creation tool that will allow Grangers to create and go on-line with a personalized website.

How Much Does It Cost?

Grange Hosting is extremely affordable. A low \$79 set up fee and a monthly charge of \$19.95 (with yearly sign-up) puts your Grange on the world wide web. Plus, Grange Communicator, the tool that allows you to create and maintain your Web site is FREE! Granges can also solicit sponsorship from community businesses to cover hosting fees.

Sponsorship from Local Merchants:

Grange Communicator allows for on-line sponsor advertising. By contacting local merchants, Granges can offer sponsorship opportunities to businesses in their community. It is a win-win partnership, local businesses benefit from the exposure of an on-line ad and helping their community Grange. Plus, these sponsor donations can offset the \$19.95 monthly fee.
